Marnita's Table needs and
wants you to be part of:

How do I fit in?

Start Conversation

You can help start the conversation about Pop Culture's impact on your life, you have a voice and we want to and need to hear it.

Marnita's Table

You get to be a part of a new event hosted by Marnita's Table, an organization that is committed to *Igniting Enduring Cross-Cultural Connections Through Intentional Social Interaction*.

Attend the Event

This event will be ground breaking, earth shattering, and history making. Who wouldn't want to be part of that?!?!?

At the event you will eat great food, dance, talk, listen and be heard by other teens, adults, parent's, and grandparents.

Collective Change

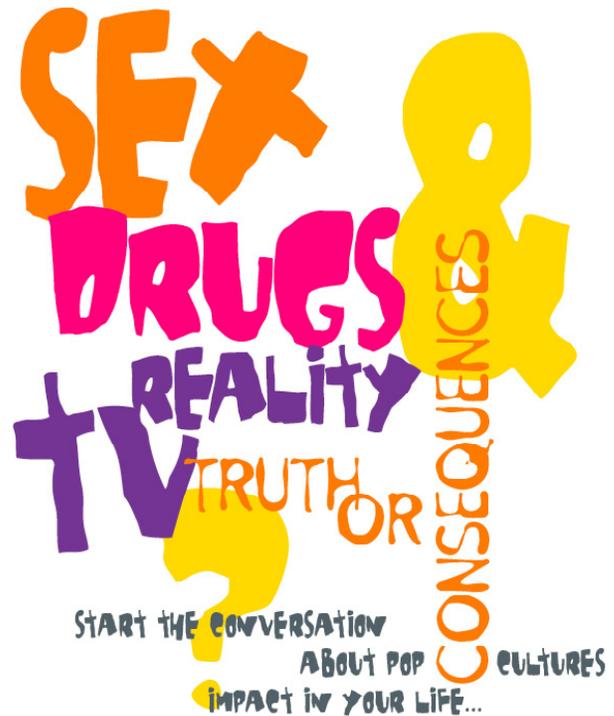

You will be part of the change that is needed to make the world a better place for all of us. You will immediately see how your personal, intellectual and financial contributions make you part of the change.

You can be part of COLLECTIVE CHANGE, by helping Marnita's Table, you help your community and in turn you help yourself, your family, your friends, your neighbors, and your neighborhood which in turn helps you.

How can I help?

Make change happen!

If you invest in your community, you invest in yourself, and in turn your community will invest back in you.

We are asking and encouraging you to collect a donation of \$20, and we challenge you to collect more! Your Change will be donated to Marnita's Table the evening of the event. Your donation is your ticket in.

Collect Change

Save your spare change, empty your pockets at the end of the day into your COLLECTIVE CHANGE container.

Volunteer

Volunteer to do chores in your neighborhood for extra money, you may have an elderly neighbor that could use your help.

Donations

Ask your family and friends to donate money in exchange for a small task or favor.

Be Creative

Hold a bake or craft sale at your church, community center, or school.

Come up with some crazy, kooky, fun, innovative way to raise money for a good cause and what is going to be an amazing event!

Where do I start?

Find a Container

For this event you will need a container to collect your spare change, donations, and any funds that you raise to gain admission to and participate in the Sex, Drugs, & Reality TV: What's the Impact of Pop Culture on Your Life event.

Personalize

You can use any object that you find and we encourage you to decorate and personalize what ever your decide to use for COLLECTIVE CHANGE. Make this yours and make it fun!

Use What You Already Own

You can use a glass jar, potato chip can, zip lock bag, piggy bank, small box, glass bottle, vase, a tin can or anything you find that can hold your COLLECTIVE CHANGE.

Ideas

First, make sure you clean out your container thoroughly before you decorate it and start collecting change. Decorate your object with cut outs from magazines, stickers, wrapping paper, pom-poms, gems, glitter, fabric or anything you can get to stick on. Simply use glue or a hot glue gun to affix it to the surface of your object.

Bring it to the Event

On the night of the event you can show off your craftiness and see what other people did with their object's too. After the event is done you can keep your COLLECTIVE CHANGE object to remind you of the good work you have done, the great event you participated in, and to keep on collecting change to save or donate to a cause you are interested in.
